

Lesson Plan  
The Arts | Week 3

## Picture My Interests (Lower Grades)

### Goal

Students will create a collage by locating pictures of activities that interest them.

### Materials

- Newspapers
- Magazines
- Scissors
- Glue
- Construction Paper or Poster Board
- Markers

### Activities

Have students find pictures that reflect their interests and strengths from available books and magazines.

Students cut out pictures and create a collage on construction paper or poster board and also write their name on the paper in marker.

These could be hung up in the classroom or hallway to show how each student is fearfully and wonderfully made.
