I hope you and your family are safe and healthy. I know these are challenging times for all of us, but we will work through this together. These supports/services will be in place while schools are closed. Once school reopens, the current IEP for your child will resume. **Below is how I can provide support and/or service during school closures due to COVID-19:**

Support/Service	Individual or Group	Method of Delivery	Minutes per Session	Sessions per Week	Schedule

I look forward to helping your child be successful. If you need assistance, you can reach me via email at:

Sincerely,

Your child's \_\_\_\_\_

Note: This Temporary Distance Learning Plan is provided electronically during school closures due to COVID-19 as a PDF. No modifications can be made to the plan except by the service provider. If you have concerns, please contact the service provider. This plan will end when traditional school resumes.
