*"It is not the will of your Father which is in Heaven,
that one of these little Ones should perish,"* Matthew 18:14.

THE SIGNIFICANCE OF LENT

"Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God and afflicted. But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed." Isa. 53:4, 5.

OUR NEW BUILDING

Our new girls' dormitory unit, the building which was begun in June of last year, is completed. Not a single mishap occurred throughout the course of its erection. For this we are truly grateful to the Lord. The building was designed by architect, Mr. Walter Maul, and erected by the Henry Martens Construction Co. Both Mr. Maul and Mr. Martens, are members of Lutheran churches in Detroit.

On February 9th the new unit will be formally opened with a short prayer service conducted by our president, the Rev. E. C. Fackler. After the service the building will be open to our friends for inspection.

The architect's description of the new home is as follows:

"The building is located within twelve feet east of the present building and both are connected by means of

a ramped and covered passageway, so that the children can attend school and the dining room without exposure to outside climatic conditions. It covers an area of 43 feet and 6 inches deep by 106 feet and 6 inches long, is two stories in height and has a complete basement. The construction is fire-proof throughout consisting of concrete floors and roof and all walls of masonry block, wood being used only for windows and doors. It will comfortably house 35 children besides providing living quarters for two teachers on the first story and for the matron and a teacher on the second story.

"The first story contains a medium-sized study room for the use of the younger children, while a large-sized room will be used for play and study space for older ones. Each of these rooms has cabinets to provide storage space for toys, games, books and other equipment. Another large-sized room with connecting closet will be used for the teaching of sewing. Locker rooms with individual storage space will provide each child with a place to hang her every day clothes. Adequate wash room and toilet facilities are provided. A room with connected bath will be the living quarters for two teachers. An airy and sunny hospital room with its own bath will isolate the sick and indisposed children. A combined kitchen and first aid room, properly equipped, will provide means of aid to the hospital room and to all other rooms in general without necessitating passage to the old building.

"The second story has seven dormitory rooms with sleeping accommodations for 35 children. Each child will have a separate cabinet for the storage of her clothes. Ample bath, wash, and toilet facilities will take care of hygiene. For the storage of clothes, bedding, etc., a large store room is provided with the necessary shelving. Two rooms with connected bath will be the living quarters for the matron and a teacher.

"The basement provides space for a large play room to be used by the children during inclement weather. It also provides space for the boiler plant and fuel storage. A portion also is planned with separate toilet facilities for men and women whenever our grounds are used for festival purposes.

"This new building is intended for the housing of the girls. The complete new Institute, as now proposed, provides for a similar building for boys on the west side of the old building, a school and administration office in the center, on the site of the old building, and a chapel extending to the front."

Our girls will be very happy to move into these modern, well-equipped quarters provided for them. Their going will greatly relieve the overcrowded condition in our old building which will still serve as our boys' dormitory and administration building.

CONFIRMATION CLASS OF 1879

This class consisted of seven members. One of these, Charles F. Grietzmacher, died in Lansing, Mich., on

Snow, Snow Everywhere

Dec. 28, 1935, at the age of 71 years, and was buried there on Dec. 31. In August 1934, he attended a re-union of former pupils of our school at the occasion of the annual outdoor service and outing of "Our Savior Lutheran Church of Deaf" of Detroit. He took great pleasure in showing his family where he had spent

his school days, and even greater pleasure in meeting old school-mates and friends. Mr. Grietzmacher was an expert cabinet maker; and diligently he read his Bible. Other members of that class were: John Lotz and Mrs. J. Lotz (nee Augusta Hermsdoerfer) of Ft. Wayne, Ind.; Anna Kalle; Mrs. Rudolph Geikow (nee Bertha Reuter) of Detroit, Michigan; Mrs. Wm. Smith (nee Caroline Fleischhut) of Mt. Clemens, Mich.; and Bertha Weinsheimer. We know of all the surviving members of this class except Anna Kalle and Bertha Weinsheimer. If any of our friends know anything about these two we would greatly appreciate the information. **E. J. S.**

A LETTER

Bethlehem Orphan Asylum, Staten Island, N. Y.
Dear Friends:

Enclosed is a check for five dollars, which is a Christmas gift from the school children of Bethlehem Orphan Home to the children of your institution.

We are thankful that we are strong and healthy and we are pleased to help the children who are not so fortunate. We wish them all a blessed Christmas, and hope that God will make them happy through the gift of our Saviour Jesus.

With kindest greetings,

We Children of Bethlehem,

per Emma Siefert.

May the Lord bless all the Bethlehem orphans who, like the widow of old, of their want did cast in all that they had as a manifestation of their faith in their Lord and Savior, Jesus Christ.—What an example to those of us who are more fortunately situated! **J. A. K.**

GRATITUDE

We are most grateful for the fine response which our appeal for our maintenance fund provoked. Collections were received from congregations, Young People's Societies, Day Schools, Sunday Schools, Ladies' Aid Societies, and many individuals. To one and all we say a hearty "THANK YOU." Without your help we could not continue this blessed work. You have the Master's own assurance that whatsoever ye have done unto one of the least of these His brethren, ye have done it unto Him. He will not let a single kind deed, be it but a drink of cool water given to a thirsty one in His name, go unrewarded.

Your gifts have helped to supply our immediate needs. As yet, however, we have not been able to repay any of the debts contracted during the lean years of 1930-1935. In the Lord's name we therefore ask such of you as have

until now found it inconvenient to send us your offerings to do so, if possible, during the approaching season of Lent. The Lord who suffered and died for you and for me shed His precious blood also for these unfortunate children. He expects you and me to manifest our faith in Him by bringing His saving Gospel to ALL, yea, also to the deaf. Surely He hath need of us. A gift handed to your pastor or church treasurer, or sent directly to us will be highly appreciated. **J. A. K.**

FROM THE OFFICE

Our well attended Christmas celebration and pageant were held in Bethlehem Church and parish house respectively. For their success we owe hearty thanks to our good Woman's Auxiliary who again supplied our children with the usual useful gifts, to Bethlehem congregation and its pastor, the Rev. Paul Gold, the teachers and pupils of Bethlehem Day School, the Detroit Teacher's Choir, the Bach Chorus, and their director, Mr. F. Buddenbaum.

* * *

Wilma Pollmacher who remained at home last September on account of a severe eye ailment, returned to us after the holidays. We were glad to welcome her back to our family.

Our enrollment now stands at 46 with two pupils still on the waiting list. These two will be admitted immediately after the opening of our new dormitory unit, Feb. 9th. Their admittance will bring our total enrollment to 48, the highest in the history of our school.

* * *

Our kindergarten teacher, Mrs. J. M. Nutt, took sick during the Christmas holidays, and had to undergo an operation for mastoiditis. We understand that she is on the way to recovery at her home in Flint, Michigan. Her class of little ones, who are now being taken care of by our teachers, Miss Bornitzke and Miss Lundwall, are anxiously awaiting her return.

* * *

Just before the holidays one of our boys, Clifford Schaege, took sick with appendicitis. He was taken to the hospital where Dr. R. Tappert under the supervision of our family doctor, Dr. Albert Hugeli, performed the operation. Our good Lord blessed the doctors' skill and permitted Clifford to return to us a well boy. Both doctors graciously donated their services and our Woman's Auxiliary paid the \$80 hospital bill. We are most grateful to God for having preserved Clifford's life and also for giving our cause such true friends as Drs. Hugeli and Tappert and our good Ladies' Aid.

* * *

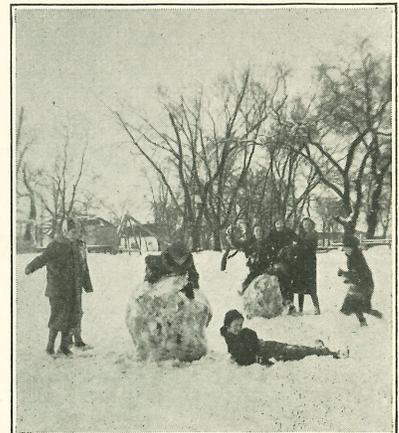

To all the dear ladies of the many Ladies' Aid Societies who remembered us and our children with gifts of towels, bedding, cookies, candy, and toys, we herewith again express our sincere appreciation and thanks.

Your gifts were most welcome.

The receipt of a package containing two bed pads received from St. Paul's Ladies' Aid through Mrs. Wilde could not be acknowledged by correspondence because the donors forgot to give their post-office address.

* * *

Dates: Feb. 9th opening date of our

Oh, What Fun!

new dormitory unit; May 17th dedicatory services for the new building; June 7th confirmation; June 14th our annual festival and closing of school.

* * *

The various rooms in our new building were furnished with funds received from Ladies' Aid Societies of metropolitan Detroit, and a number of individual friends of our school. The sum received for this purpose is, as yet, not sufficient to completely furnish all our rooms. We, therefore, hope that more societies will come to our aid in this matter.

* * *

The Northeast Detroit Kiwanis Club, whose principle aim it is to aid underprivileged children, undertook to completely furnish our main hospital. For this purpose they donated two hundred dollars. These kind friends of our children have at various times helped us to secure things for our little ones which we otherwise might not have been able to purchase for them. We appreciate your kindness, dear friends. J. A. K.

MY APPENDICITIS OPERATION

For several days last December I had a pain in my right side. At first it did not hurt very much, but after awhile Dr. Hugel, our school doctor, examined me and then talked to our matron, Miss Theilmann. Later she told me that I had appendicitis and must go to the hospital.

In the afternoon, Mr. Klein took me to the Deaconess Hospital. I was a little frightened. He gave me a prayer book and said, "Do not be afraid. God will take care of you." The nurse told me to get into bed. It was higher than our beds at school. Then the doctor came into the room. He said that they could not operate at once because I had a bad cold.

Four days later my cold was gone. A man pushed a hospital cot on wheels into my room and told me to lie on it. The elevator took us upstairs to the operating room. A nurse and a doctor in a white coat stayed in the room. The doctor stuck a long needle into my back and my body became numb. It felt funny. Then a towel was put over my eyes. I did not feel the operation.

After the operation, I stayed in bed for eleven days. At first my side hurt very much and I could not sleep. The nurse gave me hypodermics. Then I felt better. I did not eat for several days. Mr. Klein, Miss Theilmann, Miss Beckemeier, Mr. Bethman, and several of my deaf friends came to visit me. Mr. Klein's pastor, Rev. H. Olsen, also visited me and gave me a nice prayer book.

On the twelfth day I sat in a wheel chair. That afternoon Mr. Bellhorn came and took me back to school. I am very happy to be back and I thank God for making me well again.—By Clifford Schaege.
