Number 3

SOME three score years ago our fathers, encouraged by the sainted Dr. C. F. W. Walther, established a spiritual haven for children who are fettered to the Land of Silence.

IT was the challenge of the Master, "Feed my Lambs," which prompted God's children to establish our school, the first and only Christian school of its kind on the hemisphere.

WHAT untold blessings for God's kingdom have flowed out of this undertaking, only eternity will fully reveal.

WHEN our school for the deaf children was established, our numbers were few and plenty was not known. But poverty was no obstacle to this work of faith. It was "Work unto the Lord" and such work is considered a privilege by God's children.

NOW our enrollment has increased beyond fondest expectations. Our facilities are taxed beyond capacity. Children are on the waiting list. Our old building has been condemned. Our hands are tied, unless an adequate building is provided.

OUR hope and prayer is that the present appeal to friends, far and near, may bear abundant fruit so that in a short time the word may go out to waiting, handicapped children "Yet there is room." Truly, the work is not for man but for the Lord.

REV E. C. FACKLER
President of the Board

AN APPEAL TO JESUS

in behalf of our Institution for the Deaf

Lord Jesus, Thou sayest: "Whoso shall receive one such little child in my name, receiveth me." Matth. 18:5. We have an institute for deaf children where they are taught to know, to love Thee, and to believe in Thee as their only Savior from sin and eternal perdition.

Thou, Lord Jesus, in Thy bounteous grace hast blest our institute with an overflow of such children as are longing to know Thee, and more are waiting for the opportunity to be admitted. We thank Thee cordially for such blessing.

But, dear Jesus, we cannot admit all of them because our institute is not large enough. We need another unit and other buildings. Thou hast given us the children, wilt Thou not now give us the sorely needed buildings also? Without Thee we can do nothing.

We therefore appeal to Thee who alone canst move the hearts of all that love Thee, and especially of such as love Thee and have no such handicapped children, to contribute freely toward the erection of the sorely needed buildings. O move their hearts, Lord Jesus, lest some of those children applying for admittance be lost. Thou hast shed Thy precious blood for them. Thou also sayest, that it is not the will of our Father which is in heaven, that one of these little ones should perish. (Matth. 18:14)

O, Lord Jesus, we depend on Thee. Thine alone will be all honor and glory when there will be room for all deaf children who desire to know Thee, to love Thee, and to be saved by faith in Thee, and who therefore desire admittance in our institute. Hear this our humble prayer and appeal which we make in sincere confidence in Thee for the sake of Thy blood, shed for those children also. Amen.

SCHOOL NEWS

Aside from academic school work our children have been busy doing some educational sightseeing, and demonstrating to visitors their abilities in the three R's.

Last week our older girls and boys of the 5th, 6th and 8th grades were taken through the "Detroit News," one of Detroit's leading newspapers. Seeing the actual making of a newspaper gave them a much better idea of how it is done than a dozen lectures would have.

At the close of the trip the students were taken through WWJ, the News Radio Station. There they saw actual programs rehearsing. This indeed was an experience they will long remember.

* * *

February 7th was a "red letter day" in our school! For it was on that day that all the children attended the Circus at the Fair Grounds. The Detroit Street Railway furnished free bus transportation to and from the fair grounds. For weeks before and weeks afterward the topic of all conversation was the circus. Even the littlest ones thought of nothing else. The antics of the clowns impressed them most for they acted out

SOME OF OUR LARGER BOYS

their funny acts over and over again—and were just as funny themselves.

* * *

On March 16 twenty ladies from the church of the Redemption, Detroit, visited our school. It was the first visit for many of them; and they were greatly impressed with the work of our students.

We enjoy these visits as much as the visitors themselves, and cordially invite people to pay us a call. Come and see for yourselves what your school is doing for these handicapped little ones.

* * *

Friends of our Institute will receive further information on our new building project from their pastors and in the next issue of the Deaf Child's Advocate.

* * *

Our 1938 class consisting of eight children will be confirmed on April 24 in Bethlehem Church in Detroit of which the Rev. Paul Gold is the pastor.

The Rev. H. M. Zorn of Indianapolis, Ind., comments as follows on our film "Ephphatha":

"The Motion picture Rev. Kempff carries, showing the activity of our Institute for the Deaf, is quite the best I have seen of those produced among us."
