

The Deaf Child's ADVOCATE

Volume 47

Issue 4 Lutheran School for the Deaf - Detroit, Michigan

November, 1977

Lisa, Sandy and Tammy share with us some of their summer projects.

Summer Assignments

Near the close of the school year, the teachers encouraged the children to continue quietly and informally their education through the summer.

The teachers encouraged the parents to continue to challenge the children to use their speech, to develop their lipreading and to learn new ideas as they are presented with varying experiences.

This past summer again some of the older students were challenged to be involved in a specific project. Lisa and Sandy and their classmates all worked on projects:

- To improve their vocabulary
- To read about local events
- To improve their writing skills by writing new stories about their home and
- To develop their listening skills through using their hearing aids.

An elaborate workbook prepared by Tammy DeLong of Bay City, serving her community.

The students in Miss Szajna's class were assigned to better understand their community. Tammy DeLong did an excellent job of pulling together many ideas of great importance regarding her community.

Our congratulations to these young people for their efforts.

Borchardt Memorial Library

In early October, the Borchardt Memorial Library was opened to the children. The library has been moved from its location down in the Klein Wing up into the very center of the building in one of the former classrooms.

The Rev. Norbert E. Borchardt

As the library received more and more books, the old library became too small for use. New shelves were made, hours were spent finishing them, over 500 new books were catalogued in September alone by the Media Specialist.

Now the children are involved in an exciting reading contest in which they are encouraged to read more and more books and through it show themselves to becoming wise owls in beautiful plumage.

Pastor Norbert Borchardt was a member of the Board of Directors of the Lutheran School for the Deaf for 33 years. He served his Lord with great faithfulness in a ministry that extended over more than 40 years. We rejoice in all the blessings which God so richly gave him. We thank God that through the loving gifts of his family and friends it is now possible for our children to grow in an appreciation of the printed word and the opportunity to learn about God through that word.

ANNUAL APPEAL

Our Annual Appeal Letter is on its way.

The annual cost per pupil for education here at the school has gone above \$10,000.00. While that is almost \$2,000.00 less than public deaf education in our area, it still is more than any parent can pay. Your gifts make it possible to continue the ministry of sharing Jesus Christ through our program of education.

Will you kindly give prayerful consideration to the Appeal when it arrives and then mail your contribution in the self-addressed stamped envelope.

Thank you and may God richly bless you.

◀ OUR LEARNING DISABILITIES SERVICES BULLETIN BOARD. We rejoice in providing services of consultation, evaluation, and instruction for children with special learning problems.

International Lutheran Deaf Assoc.

The fourth bi-annual Convention of the International Lutheran Deaf Association met in Washington June 30 through July 3, 1977. The theme of the Convention was "Rise and Shine. Give God Glory." During the Convention, the delegates were invited to go to a local park for a picnic. While there, Mr. Werner Hoewisch of Milwaukee, Wisconsin took the picture of the alumni of the Lutheran School for the Deaf attending the Convention. People in the picture have been identified by Mrs. Helen Rogner.

In the picture, in the back row from left to right are, The Rev. William Ludwig, Seattle, Washington, 1938-47, Mr. Clarence Schulz, Detroit, Michigan, 1928-33, Mr. Harold Schrank, Wisconsin, 1916-17, Mr. Werner Hoewisch, Wisconsin, 1929-33 and Mr. Curtis Ketelsen, Iowa, 1952-62.

Standing left, Mr. Elmer Engel, Business Manager and member of the Board of Directors. Standing center, The Rev. John Gagern, Chairman of the Board of Directors and Pastor of Immanuel, Dearborn. Seated right, Mr. Carl Middeldorf, Secretary of the Board of Directors and Principal of St. Peters Lutheran School in East Detroit.

The Annual Meeting

Miss Lisa Bradacs confesses her faith at the opening devotion.

On the second Wednesday in October, delegates from the seventy-two congregations which own and operate the Lutheran School for the Deaf met to review the progress of the school, to elect members of the Board of Directors, to discuss the budget and to promote the general welfare of education of special children.

This year the Association adopted a budget of \$664,354.00 for the education of the children.

This year's meeting began with devotions led by our oldest deaf students. As part of the meditation they read their confessions of faith prepared for their confirmation last spring.

During the meeting, the Association adopted a policy statement regarding the use of the property and building by those congregations that own it as well as outside organizations. We welcome those congregations who desire to have picnics on our property. If you desire to use our buildings, please contact us about that policy.

During this past year, the library was totally remodeled and dedicated in the memory of Pastor Borchardt. One family in town has donated a tennis court valued at more than \$8,000.00 to the school. The lounge in the main building has been converted into a Conference Room for small meetings. The entire basement of the older buildings have been repainted and refurnished.

The following men were re-elected as members of the Board of Directors. Mr. Carl Middeldorf, Mr. Ray Gartha, Mr. Herbert Schoenberg, Attorney. Mr. Robert Marowske was newly elected to the Board. Mr. Marowske is a heating contractor.

The Association at its annual meeting made a resolution of thanks for the dedicated service of the: 1) Detroit Ladies Auxiliary for the Deaf; 2) The Ephphatha Chapter of the Ladies Auxiliary for the Deaf; 3) The doctors and dentists whose service we need when our children are in need of medical care. These include, Drs. W. A. Huegli, C. Rueger, S. Ratiner, O. R. Dueueke, E. Haddad, W. Rice and W. Neeb; 4) The various service clubs including the Denby Kiwanis, the Grosse Pointe Lions and the Northeast Lions Club; 5) The Festival Manager and his Committee; 6) The Nominating Committee; 7) The Parents Staff Organization; 8) The Volunteer Mailing Group headed by Paul Gady; 9) The Beth El Tutoring Group; 10) Mr. Hilgenbrink and his associates; 11) The French Electric Company.

A special prayer of thanks was given for all of those volunteers which includes the Board members who have given so much of their time to the school so that it may successfully carry out its work of sharing Jesus Christ with the special children enrolled here.

† In Memoriam †

Each year individuals establish Memorials at the Lutheran School for the Deaf. Gifts in memory of a loved one or a friend are given to help deaf children learn to know Jesus Christ as their Lord and Savior.

Permanent record cards are kept on each Memorial. To honor them, these Memorials received between July 1, 1975 and June 30, 1977 are listed. We are sorry if a typing mistake occurred or if a name is missed. Please excuse us and help us correct it. Sometimes it is difficult for us to know when we make a mistake. For example, we are not sure if Mrs. Mary Smith and Mrs. John Smith is the same person or not.

This continues the list begun in the last issue. Thank you for calling mistakes to our attention. Memorials given to or through the two Ladies Auxiliaries are not included. We are discussing ways to include those names.

To God be all glory as we give thanks for the blessings He gave through the lives of the individuals we herewith remember.

Blinking Eyes

Recently, Mr. Jerry Smith of the Michigan Bell Telephone Pioneers brought to the school, two different animals together with a pay phone. The stuffed animals are adapted by the Telephone Pioneers so that their eyes will light up when you speak to the animals. The purpose of the animals is to encourage the children to use their voice loudly enough so that the animal will respond to them.

The Telephone Pioneers is a group of Telephone Company employees who are involved in charitable activities. Over the years, they have furnished a number of blinking animals to the school together with many other pieces of telephone equipment which are useable for the children.

The one chapter of the Pioneers provided the three Teletypewriters which are used by the children for communication over telephone lines to each other.

This year, we have three four year olds enrolled in our school. It is a great joy to have the little children with us again. We rejoice in the progress they are making as they learn to better communicate with God's world around them.

Our August Advocate showed what your help did last year. We are most grateful for all of your support. We hope that you will find this again a delicious way to help us.

The Harvest Festival

The Harvest Festival means many things: Hayrides, games for the children, apples for sale and apple cider and most delightful entertainment.

But above all, the Harvest Festival means an opportunity for people to get together to visit with friends, share some of their love through their volunteer activities and to have an enjoyable opportunity for fellowship.
